THE ANNUAL CHAMPION.

The Coney Island Jockey Club has published the list of eligibles to the \$25,000 Annual Champion Stakes, two miles and a quarter, which will be run at Sheepshead Bay, September, 13. Perusal of the list brings out strongly the fact that misfortunes of one sort and another have so depleted the elder division as to give the three-year-olds a great chance to carry off this rich prize. Ballyhoo Bey, Chacornac, Commando, Ethelbert, Ildrim, Jean Beraud, Mesmerist, Streamer and The Parader are all illustrious names and all sound and well would furnish a grand field for such a race, but all have fallen and their being still eligible avails nothing. Still good ones are left in and the following list of eligibles is worth scanning.

GOOD RACING AT HAND.

With the curtain raiser at Little Rock disposed of, the stage of western racing is cleared for the more impressive action that will follow at Memphis. Little Rock disclosed what may prove to be a good two-year-old in G. C. Bennett's Mallory, and also served to show that Wax Taper is likely to run up to his undeniably fine form of last year.

The Memphis meeting is always important and marked by high class racing and exceedingly good management. It always serves to introduce two-year-olds that subsequently play important parts in the racing of their year, and the meeting now at hand will probably be up to the standard in that interesting particular. Reports are rife concerning the excellence of youngsters in the stables of G. C. Bennett, J. W. Schorr, P. Dunne, T. C. McDowell and other owners, and it is quite possible that the Gaston Hotel Stakes next Wednesday will be the means of bringing out one or more colts of the Abe Frank type. Last year it fell to Schorr's Charles W. Meyer, with Brannigan second and Abe Frank fourth. Subsequent racing showed the latter to be much the best race horse.

The meeting opens tomorrow with a well filled card of six races with the best New Orleans performers conspicuous and likely to prove winners of their fair share of the days contests. The Montgomery Handicap is naturally the center of interest and the fact that sixteen horses have been named to start shows that an unusual number of owners cherish high hopes of landing the rich prize. Two such high class horses as Waring and Wax Taper as starters serve to invest the contest with an unusual measure of importance and their respective performances with 124 pounds up will be carefully considered by all admirers of the thoroughbred. From present indications the Montgomery of this year will be well worth a journey to witness.

Winner—B. h. by Cavalier—Lady Alice, by Babcock.
Went to post at 2:12. At post 3 minutes. Start good. Won easily; second handily. Free Lance took command on the backstretch and the result was thereafter never in doubt. He is in good form and steadily improving. The Gaffer made an unexpectedly good showing on the fast track and finished fast. Phil Archibald ran dully in the first part of the race and failed in the stretch when called on. He is possible stale from recent mud racing and should improve. Meadow Lark is fresh and improved and gave an unusual display of early speed, and but for a very wide stretch turn, might have been second. Nilgar is strictly a mud runner. Ned Dennis ran well to the stretch only.
Free Lance, show, 1 to 4. The Gaffer, show, 5 to 1. Phil Archibald, show, 3 to 5.

Winner—Ch. g. by Altamex—Sonomis.
Went to post at 2:38. At post 3 minutes. Start fair. Won driving; second easily. Alsono, off in his stride, displayed brilliant and enduring speed, gradually wore down Sylvia Talbot's apparently winning lead in the stretch, finishing very strongly, but was probably lucky to score, as the latter stumbled right at the end. She is in fine form and ran to her best mark. High Chancellor broke flatfooted and, closing a wide gap from the far turn, responded to the whip in the stretch with a remarkable burst of speed and was going fastest at the end. Lizzie Rice finished well under an incompetent ride. Arabo, when apparently secure of third place in the last furlong, swerved into the fence under the whip and was practically pulled up in the last sixteenth.

Scratched—Leyant, 108.

Overweights—Lizzie Rice, 2 pounds.

Alsono, show, 4 to 5. Sylvia Talbot, show, out. High Chancellor, show, 2 to 5.

Winner—B. g. by Quicklime—Soubrette II.
Went to post at 3:06. At post 3 minutes. Start fair. Won easily; second the same. Limelight was shuffled back on the far turn and came very wide into the stretch but when a furlong out had the others decisively beaten. School for Scandal broke slowly and ridiculous waiting tactics with a resultant rough journey afforded her scant chance although she finished fast. El Pilar was always prominent but failed to stay at the end. Novia is good and fast and with a bad jockey up showed plenty of speed but made a wide turn and tired at the end. The Hoodoo went well for five furlongs. Dawson, sluggish and a later, was crossed at the start and had no chance. St. Rica displayed her old time speed and was evidently short and should improve.

Scratched—29936 Porous, 105; 31216 Lief Prince, 104; 31287 Morengo, 104.

Overweights—Novia, 2 pounds.

Limelight, show, 7 to 10. School for Scandal, show, out. El Pilar, show, 4 to 5.

Winner—Ch. c. by Linden—Peninah.

Went to post at 3:39. At post 1 minute. Start good. Won driving; second easily. Commissioner Forster, in good form and lucky throughout, cleverly stole a winning lead on The Giver and held it under pressure. The Giver was given a sleepy and inefficient ride and made up a half dozen lengths in the last quarter and was catching the winner fast. Water Scratch is evidently a non-stayer as he tired badly after going a good seven furlongs. Escalante displayed unexpected stamina after making the running under a choking pull for almost seven furlongs. Royalty trailed throughout and lacked speed and condition but will do to watch.

Scratched—(31101) Homestead, 125.

Overweights—Royalty, 2 pounds.

Commissioner Forster, show, 3 to 2. The Giver, show, out. Water Scratch, show, out.

With the many horses that wintered here, combined with many others arriving which haven't faced the starter this season, you readily understand why "handicappers" and "guessers" are completely lost, and why "genuine inside information" is necessary for pool room players to beat Memphis.

Race Track Information Bureau

SUITE 500, 263-269 DEARBORN ST. TELEPHONE HARRISON 3689.
RATES: \$1.00 DAILY; \$4.00 SIX DAYS' SELECTIONS AND SPECIALS.

Boundlee, Nearest, Henry of Trastamare, Toscan, The Hoyden, The Giver, The Pride, Prestano, were the winners our clients received on our Form Letter Handicap Saturday.

Five Hundred and Sixty-Five Dollars (\$565) Made Last Week by 250 Weekly Clients of the Race Track Information Bureau.

We Sold Our Information to 16,000 Individuals During the Twelve Months Ending March 29, 1902. What was in it for them MUST be in it for you.

Why and How the Race Track Information Bureau Exists

Before its advent the casual racegoer had no means of gauging a horse's ability to win a race except his own judgment, while the "regular" was compelled to depend upon handicap figures. Real inside information—based upon the fitness of the horses as determined by their workouts—was a priceless commodity, gathered and possessed by a few noted plunger only. It was denied the regular and the general public. THE RACE TRACK INFORMATION BUREAU has received its support from some of the best men connected with racing. Owners of stables, seeking unbiased information which they could obtain from no other source, were the first to give us their support, but the rank and file of the general racegoer have been our staunchest supporters. We contend that the existence of the Race Track Information Bureau has contributed very largely to the confidence which the public has now in the running turf. It has made it possible for the ordinary racegoer to enjoy a day at the track without feeling that he is the prey of the bookmakers. Our selections of probable winners are based on the workouts of the horses as witnessed by our trained experts. If the races were not honestly run and the horses were not allowed to repeat in public their work in private the Race Track Information Bureau could not pick one winner in twenty-five and then only by accident. Our inside information will cost us nearly twice as much during the coming season as it did last year and, boiled down, the whole question is one of money—plus brains. WE KNOW WE HAVE ONE; WE THINK WE HAVE BOTH.

We will Name Two Ten to One Shots at Memphis on our Card Monday.

A Turf Sensation

3 DAYS AT MEMPHIS!

An exceptional opportunity open to all Turf Speculators desirous of obtaining THREE good "Live Ones" coming off THE FIRST WEEK AT MEMPHIS.

THURSDAY, FRIDAY AND SATURDAY.

These THREE are owned and trained by one of the shrewdest horsemen on the American Turf today, and have shown such a remarkable burst of speed it has been decided to "Coupe" THE FIRST CRACK OUT OF THE BOX, for a horse properly placed is often overlooked, both by Bookies and Public, and the probable odds on each "Trick" will be 10 or 12 to 1.

My reputation as a reliable Turfman is well and favorably known to all EASTERN TURFITES, but as I will operate at the WESTERN TRACKS this season I will take this opportunity of establishing myself to WESTERN TURFITES offering THIS (THREE DAYS) INFORMATION

AT YOUR OWN TERMS,

payable AFTER THESE THREE "TRICKS" HAVE WON. This enables both the SMALL and LARGE bettors to get in on this "Killing" when the Flugs fly and the Bugle sounds. Therefore, submit me a reasonable proposition, as your immediate patronage is most earnestly desired, and the only real proof of the "PUDDIN" is in the eating. Address

Winner—B. h. by Phoenix—Glen Hop.
Went to post at 3:04. At post 4 minutes. Start good. Won easily; second the same. Cormorant, always at home in muddy going, showed the most speed, raced King Barleycorn into exhaustion and drew away in the stretch and had something in reserve at the end. Alack ran an eighth in a false start after breaking through the barrier. He was poorly handled but his race was a good one closing up much ground in the last quarter but was staggering at the end. King Barleycorn had no mishaps and showed speed but could not stand the early pace set. Man o' War performed poorly. He was hard ridden in the stretch but could not get up.

Winner—Ch. c. by Hastings—Toscan.
Went to post at 3:30. At post 3 minutes. Start good for all but Prince Hoadley. Won easily; second driving. It was a two-horse race all the way and the winner is a promising youngster. Toscan and Morca raced together for three furlongs when Morca weakened, leaving Toscan to go on and win. The latter was being eased up in the final strides. Morca is speedy, but was used up early and quit in the last sixteenth. First Chord finished strongly and would have been second in two more strides. He ran a good race and made up a lot of ground. Prince Hoadley shied when the barrier went up and was practically left. Wonderly sent him on and went a fast furlong.

Scratched—31268 Money Lender, 110.

Winner—Ch. g. by Tattler—Delaware.
Went to post at 3:55. At post 6 minutes. Start good. Won driving; second easily. J. A. Warner is a good jumper and showed speed, but was tiring badly at the end, being all out. Tamarin, cleverly handled, finished strongly and would have won in a few more strides. Farrell was third because of his speed, he losing ground at all the jumps. Hop Scotch weakened under pressure after showing well for most of the route.

Winner—B. f. by Esher—The Maid, by Erdenheim.
Went to post at 4:30. At post 2 minutes. Start poor. Won easily; second driving. The Hoyden was best, went to the front when Odom so desired and was only cantering at the end. Trump displayed his usual speed and hung on gamely in the stretch when Carroll D. challenged, but was out to the last ounce. Carroll D., at home in the mud, ran a good race under punishment but could not get up. The others are not much with the exception of Rightaway, which is not anywhere near his form.

Went to post at 4:55. At post 2 minutes. Start bad. Won handily; second easily. Illuminate, off running, was never in trouble. Daly rated him in good style and had plenty in hand at the end. Locket likes the mud and ran a good race under a drive through the stretch but could not get up. Gold Fox got away well and was speedy in going he dislikes. Playlike tired. Beggar Lady made up a big gap and was gaining at the end. The Rogue can do better.

Winner—Ch. g. by Wood Moss—Cantatrice.
Went to post at 5:25. At post 1 minute. Start fair. Won driving; second easily. Woodtrice was skillfully handled. Odom avoided the early pace and waited to a furlong from home before making his run and Woodtrice responded gamely and caught the leader a few strides from the finish under a hard drive. Charley Moore was speedy, liked the going and was under restraint in the first part of the race and appeared to be the winner a furlong from home, but hung in the final strides. Lamp O' Lee probably needs a race or two more before he will be at his best. He showed speed, but tired after going six furlongs. Philma Paxton's performance was a good one. Ohnet can beat this kind when he is good, but he tired after going a half.

The latter stumbled and went to his knees just as the winning mark was passed. The Advocate began slowly, but made up a lot of ground and ran like a colt that likes a route. The last three were as good as left. Floria was very green at the barrier and kept rearing back as it went up.

THE PARADER.

Judge Burke in Morning Telegraph of March 26 has this to say about The Parader's diseased hoofs: "It is now a certainty that the turf will know The Parader no more. There have been cases known, in fact, of horses dying from diseases of the feet. Whether or not the Realization winner is in danger of death cannot be made known at this distance from the scene of his sufferings.

"He is now at Lexington, Ky., where the intention was to devote him to stud purposes. If, however, he is in physical pain from the condition of his feet, he will, of course, be humanely treated.

"It was the opinion yesterday of an expert who saw him in January that his feet can, with good care, be cured, the bulging or convex hoofs driven back, and the horse thereafter have comparative comfort. The lamentable condition of this good horse is due to inflammation settling in his feet,

and as the exudation was bound to have a vent, the convex hoofs were the result.

"His case is what is known as one of drop soled hoofs. Normal hoofs are concave, or somewhat in the shape of a cap. Then there are cases of flat footed hoofs, next come the convex hoofs. The Parader had such hoofs from the cause above stated inflammation settling in the feet. Should he recover, and there is no reason why he should not, with care, there is no fear of the disease being transmitted, for it is not hereditary.

"A better fate was deserved by this good colt. His early retirement is a great loss to the turf, and to his owner. Never was an easier victory than his race in the Withers, in which he made mincemeat of Bonibert, Bellario and All Green.

"He was under a tremendous pull for a great part of that event. No doubt he was trying to run out on the turns. Near the end he seemed to be a wild colt, for he darted away again, after Bonibert seemed about to catch him. The going that day was much to his liking, for he fairly reveled in it.

"At Saratoga, a month after he had won the Realization from the ailing Commando, he ran in the rich Saratoga Handicap, and showed a great performance, for he was fearfully messed about, yet finished in front of Blues, to whom he was conceding six pounds. In that same stake Tom Welch saw his charge, Blues, run a race which qualified him to win whenever he started again.

"Blues had almost as rough a deal in the course of it as had The Parader, the Welch told the writer two days before the Travers that he expected to win it with the son of Sir Dixon because of his display in the Saratoga Handicap. Still, there might have been a different story, but for The Parader getting off poorly, and, as it was, he was going much stronger at the finish than either Blues or Dublin, which beat him two heads only.

"But it is possible that even then The Parader was suffering from foot trouble. The culmination is now apparent in his retirement from the turf."

GOSSIP OF THE TURF.

August Belmont, who is responsible for the existence of the Benning's race track, paid a visit to Washington last Thursday, and so satisfied was he with the outlook that he immediately began making liberal changes. His first move was to have posted a notice that on and after March 29 all purses of \$300 would be increased to \$400. After looking around the paddock and clubhouse, inspecting things, Mr. Belmont paid a visit to the cheap field. He saw possibly a dozen occupants in the stand. Seymour Butler was with him, and they spoke of the present poor outlook of the field stand paying the expenses of the gatekeepers. Their conversation was overheard, and Mr. Belmont intimated that he saw no prospect of the field paying, unless there were one or two bookmakers to attract attention. As matters now stand, it is surely a drag on the market, and it may be predicted that in the near future there will be more to interest the patrons than the dry occupation of watching the races.

The San Francisco Examiner of March 25 has this to say of Jockey Willie Knapp about one of his recent victories on Frangible:

"Little Knapp, for so small a boy, put up a marvelous ride in a mile and a sixteenth handicap yesterday. He went away from the post whipping and kept at his horse nearly all the way around, finally winning in a drive from Janice, the 1 to 2 favorite. Frangible was at 25 to 1 in the betting. Knapp evidently had very clear instructions as to how to ride the race and he followed them. He outran the field to the first turn, so as to get the rail position and then hugged the inside of the track. No one could have ridden the horse better. At the head of the stretch he looked beaten, but Knapp's whip kept him at his work and in the final drive his advantage in weight helped him. Janice might have beaten him at that if Position had not crowded her all during the run through the stretch. She managed to beat Position by a very narrow margin for second place."

Saratoga's full list of stake entries for 1902 includes the following prominent western nominators: Burns & Waterhouse, E. J. Baldwin, G. C. Bennett & Co., Burlingame Stock Farm (Prince Poniatowski), J. P. Chinn, Fred Cook, John A. Drake, H. B. Durham, C. R. Ellison, E. S. Gardner, George Hendrie, W. H. Jennings & Co., W. H. Laudeman, J. B. Lewman, Liger & Brown, W. H. McCorkle, W. O. B. Macdonough, Middleton & Jungbluth, W. J. Price, P. Ryan, J. W. Schorr, W. Shwalter, W. Williams, Henry M. Ziegler. It is many years since there have been so many western stables, and of such high class besides, engaged at Saratoga.

W. C. Whitney was quoted as saying several days ago that, in his estimation, Nasturtium stands one chance in a thousand of winning the Epsom Derby; that the colt had not been withdrawn, but that the matter rested entirely with trainer Huggins. Mr. Whitney was also quoted to the effect that he had learned that Nasturtium had improved in health, but was so far gone that it would take a couple of months before he could begin hard training.

NOTES OF THE TURF.

To show what a race the Saratoga Cup ought to be this year, the following are noted in the list of entries: Flywheel, Garry Hermann, Advance Guard, Baron, Blues, Bonibert, Water Color, Hernando, Dr. Barlow, Gold Heels, Heno, Compute, Pentecost, Herbert, Nones, Douro, Chilton, Prince of Melbourne, Yankee, Blue Girl and Goldsmith.

The following have been declared out of the Carter Handicap, which is the opening attraction at the coming meeting at Aqueduct. Roehampton, 126; Irritable, 122; Potente, 117; Bon Mot, 103; The Hoyden, 102; Champagne, 100; Enright, 98.

There is a rumor afloat among turfmen that J. G. Follansbee's noted four-year-old colt Roehampton has become a "roarer." The colt is working daily at Morris Park and his trainer says that there is nothing serious the matter with him.

The two-year-old filly Miss Petticoat, by Domingo—Alcesteis, by Hindoo, for which Henry E. Zeigler of Cincinnati had refused \$10,000, has gone wrong at the Kentucky Association course and will be turned out. The filly worked a quarter in 22 1/2 seconds last fall.

John W. Schorr has shipped Streamer to Lexington to go into the stud at John B. Ewing's Williamette Farm.

The Form Book for March is ready for sale, and includes the racing of March 29. Paper cover, \$1; leather cover, \$1.50.

JOCKEYS HANDICAPPED.

DAILY RACING FORM will from now on publish each week a table of the rating of the jockeys riding at each track based on their performances in the saddle. The best riders at each track will be given the uniform rating of 100, and from that point the others will be graded down according to their estimated relative skill. For a difference of five points between the jockeys a corresponding five points change in the handicap figures assigned the horses in any race must be made. Only riders frequently in the saddle will be given a place in the tables. The following is the rating of the jockeys now riding over the various tracks:

Winner—B. h. by Himyar—Grace Lee.
Went to post at 4:14. At post 6 minutes. Start good. Won easily; second the same. Hilee won decisively from start to finish and outpaced and outstayed the field from a lucky start and is in great form. Princess Titania ran well up from a good start and put up a game but futile effort in the stretch. She particularly favors feather weight. The Pride, somewhat worn out from bad breaks while at the post, was unable both to keep up or finish well. He should improve and was probably short. Milas closed quite a big gap from a flatfooted start and can do better. Frank Bell was overweighted. Glendenning runs like a non-stayer. He showed fine speed, but quit badly at the end.

Scratched—31219 Sly, 110; 31258 Slap Dash, 103; 31257 John Peters, 97; (30369) Moabina, 90.
Overweights—Milas, 1 pound; Ellis Glenn, 3; Intrepid, 1.

Winner—Br. c. by Iroquois—Sif, Jr.
Went to post at 4:43. At post 1 minute. Start straggling. Won easily; second handily. Illowaho, suddenly improved and off in his stride, crossed the entire field at the start and made the running. He was apparently in difficulties in the stretch, but unexpectedly drew away and won cantering. Vassalo, from a lucky start, was well placed, but tired badly in the stretch. Lento gradually closed a big gap from last place in three furlongs and is strictly a rater. Dwight Way went well throughout. Prestano was crossed at the start and fell hopelessly out of contention, but raced into prominence in a quarter of a mile and then tired badly. Pirate Maid showed early speed. Legal Maxim was interfered with at the start and put out of business.

Overweights—Vassalo, 2 pounds.
Illowaho, show, evens. Vassalo, show, 1 to 3. Lento, show, evens. Prestano, show, out.

He suffered from much interference and was nearly thrown down on the turn. Vince was prominent in the false breakaways but ran a good race. Winner—Ch. h. by Kingston—Useful.
Went to post at 6:36. At post 1 minute. Start good. Won driving; second handily. Kingful had the speed of his field, but tired at the end under the heavy impost. Emigrant was vigorously ridden and stood the punishment gamely. Hattie Davis faltered at the end. Economic was slightly interfered with on the last turn, but this cut no figure in the result.

The Melbourne Stud.

Handspring LIMITED TO THIRTY APPROVED MARES. \$100
(PROPERTY OF P. J. DWYER).

Handspring won the Great Trial, Tremont, Double Event (both renewals) Foam, Billow, Withers and Carlton Stakes, Brooklyn Derby, etc. Chestnut horse, standing 16.1 hands high. By Hanover—My Favorite, by imp. Rayon d'Or. Handspring's oldest get were two-year-olds in 1901. He has had but six starters, three of which, Merriment, Meditation and Major Daingerfield, are high class winners, and one of his other starters, which only twice raced, ran second in one of his starts in company of stake class. Handspring's breeding must be considered extra fashionable and up-to-date, being by the great Hanover and out of a daughter of the grand imp. Rayon d'Or, who won on the turf no less than \$122,140 and showing wonderful ability to go any distance and to carry any sort of weight. Handspring's second dam was by the successful sire imp. Glen Athol, a son of Blair Athol, winner of the Derby and St. Leger, and he out of Blink Bonny, by Melbourne, and she won both the Derby and Oaks, and grandson of both Pocahontas and Queen Mary and sire of the Derby and St. Leger winner Silvio, and the great Prince Charlie, probably the fastest horse that ever ran in England. Handspring's next dam is by none other than the great and only Glencoe. Going back to Rayon d'Or we find him out of a mare by the son of the immortal Touchstone, the foundation stone of nearly all perfect pedigrees, and her second dam was old Pocahontas herself, by imp. Glencoe. Thus combining several times over the wonderful Glencoe blood. Any breeder stinting a good mare to Handspring has a chance to produce the greatest horse that ever lived, and his stud fee is certainly a very low one, taking everything into consideration.

Rainbow \$50

Brown horse, 16.3 hands high, foaled 1890, by Longfellow, dam Buff and Blue, by War Dance. Rainbow won the Brooklyn Derby and many other races, in which he defeated the best horses in training. and during his three-year-old form worked a mile and a half trial in 2:36 over the Coney Island track. Rainbow's dam, Buff and Blue, is by War Dance, one of the best of Lexington's sons, out of the famous old matron, Reel, by imp. Glencoe. Buff and Blue also produced Bright Phoebus (winner of the Realization Stakes), Monita Hardy, Sister Geneva (dam of Carnero), and other winners. His second dam, Balloon, was one of the greatest long distance race mares ever seen in this country and produced the famous brood mare Ballet. Rainbow is one of the finest thoroughbred stallions in America and sold for \$8,200 as a yearling. Rainbow made his first season in the stud at Melbourne in 1900, but he was stunted to a few mares before that and from those services he has had seven starters, every one of which has been returned a winner, including the three high class performers Menace, who won eighteen races, a greater number than any other three-year-old filly in training in 1901; Wealth, a three-year-old filly, who in her first and maiden start forced the noted Futurity winner Ogden, then an older horse, to run a mile under 1:40 to beat her a head, and Percy F., a several times stake winner. For 1902 Rainbow is limited to thirty mares, of which twenty will be his owner's.

St. Julien LIMITED TO THIRTY MARES. \$50

Own brother to the stake winners and successful sires Prince of Monaco and St. Carlo. Chestnut horse 16 hands high, foaled 1891, by imp. St. Blaise—Carina by Kingfisher. St. Julien was a stake winner and raced with success as a two and three-year-old, winning The Larchmont Stakes, 3-4 in 1:12, and other races, and was beaten a head by John Cooper in the Vreeland Handicap, 7-8 in 1:28. St. Julien was only stunted to a very few mares previous to going regularly in the stud at Melbourne in 1901, yet he has sired the flying Myrtle Dell, who made a track record as a two-year-old in 1901, Sard Seething, St. Dean, Kabyle, Princess Julien, Blonde Grayson, etc. Mr. Barnes thinks St. Julien fully the equal of his full brothers, St. Carlo and Prince of Monaco. He is a sure foal getter, having twenty-eight mares in foal from a service of thirty-three last year. He is also a grand breeder of individuality and as fine a tempered horse as there is in Kentucky.

Jim Gore Private

By Hindoo, dam Katie by imp. Phaeton. Sire of Beau Gallant, The Goldfinder, Amelia May, Beau Ideal, Moncreith, Gorman, Knowles, Donna Seay, and many other stake winners and great campaigners.

Prince of Monaco Private

By imp. St. Blaise, dam Carina, by Kingfisher. Sire of Fancywood, Blennenworth, Monarka, Precursor, Autumn Leaves, Sting, Kilmantle, who won twice and was placed four other times out of seven starts in England in 1901, Colbert, and many other winners.

The Melbourne Stud now consists of five stallions and 108 of as finely bred young matrons as can be found on any single breeding farm in this country. The mares are now kept on eight different farms and the yearlings on four different farms—far apart and yet within a few miles of Melbourne, for it is my fixed opinion that strictly high-class race horses can be bred with more success if kept apart in small lots rather than banded together in large numbers.

Mares kept in box stalls, well bedded down, the charges will be \$10 per month, when running on grass \$5, which must be considered a very low price, considering the established reputation the Melbourne Stud has for the care of its stallions, mares and all thoroughbred stock. It is a practice at the Melbourne Stud to try the mares three times a week until the first of June, and after that time every day until the season closes, July 1st, which is a guarantee that every mare will be got in foal, if care and attention will accomplish this end.

Usual return privilege, if horse is alive and in my possession.
